Dear WWF Lecco team,

I would like to extend my sincere thanks for your very generous donation to support WWF-Australia's Wildlife and Nature Recovery Fund. Your support will play a vital role in helping to provide urgent relief to bushfire recovery and long-term support to ensure we have a future for people and nature in Australia.

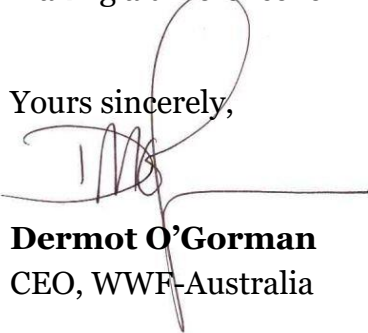

Last year Australia faced an unprecedented, catastrophic bushfire season and so much has been lost. The disaster has touched nearly every Australian.

Your support is allowing us to deploy funds to wildlife rescue and care organisations in affected states so they can respond at scale. It will also allow us to help restore forests and damaged wildlife habitat, stop deforestation, create safe corridors for our wildlife and help implement Indigenous and rural fire management.

You are also helping us drive innovative solutions to mitigate climate change and help species adapt to our changing conditions.

I am so thankful for your generosity and I hope you all feel proud knowing that you making a difference for Australia's native wildlife.

Yours sincerely,

Dermot O'Gorman
CEO, WWF-Australia
